About the ABC House

ABC House is an accredited Child Advocacy Center that is part of a statewide network of CACs serving all counties in Oregon.

Since 1997, ABC House has served more than 12,000 children and their families. Now in our 27th year, ABC House provides high-quality child abuse assessments for local children when there are concerns of abuse and neglect; and offers support and healing to children and families who have suffered from abuse through a continuum of in-depth services, including comprehensive medical examinations, forensic interviews, family support and referrals, and trauma counseling. Medical staff work closely with community partners in the context of a Multi-Disciplinary Team to assess these concerns. In addition to our direct services, ABC House’s Community Education program provides child abuse awareness and prevention programming for roughly 3,000-4,000 youth and adult community members annually to increase their capacity to prevent, identify, and react responsibly to abuse. ABC House is widely supported by the communities we serve.

Local Area

Albany, Oregon is a vibrant community nestled in the heart of the Willamette Valley. Situated along the Willamette River, this area offers pristine beauty, a vibrant downtown, college sports, as well as proximity to mountains, waterfalls, hiking and biking trails, and easy access to the beautiful Oregon Coast. The Willamette Valley is also home to a plethora of breweries and wineries that offer a variety of musical special events, tastings, and day trips. Families will enjoy the great selection of parks, many of which are pet-friendly. Albany is known as a positive, welcoming community that is a great place to raise a family!

Position: Child Abuse Medical Provider
Classification: Full-Time, Exempt
Supervisor: Medical Director

The Child Abuse Medical Provider provides forensic medical evaluation and consultation services to children and youth referred for concerns of abuse and neglect. This is a unique opportunity for a talented and motivated individual with experience in pediatrics or family medicine to work as part of a multidisciplinary team and to contribute to the prevention, evaluation and treatment of child abuse.

Principle responsibilities include but not limited to:

- Work as part of a multidisciplinary team to provide complete child abuse assessment and consultation services to children referred with concerns of child abuse and neglect.
- Conduct forensic medical examinations of children and youth. Determine child and family’s medical and social needs, including emotional and psychological concerns, and make appropriate recommendations.
- Complete all required medical documentation, including photo documentation, electronic health record system, and patient charts. Prepare reports for client records and investigations.
- In coordination with the Medical Director, serve as a designated medical provider for suspicious physical injury cases referred under Karly’s Law. Provide additional medical consultation for multidisciplinary team members and local medical providers on child abuse issues as needed.
- Regularly participate in case review with the multidisciplinary teams in coordination with other medical providers.
- Provide expert and fact witness testimony in Benton and Linn County proceedings and other jurisdictions as required.
- Assist in establishing medical policy and protocols in accordance with ABC House’s mission, vision, and goals.
- Complete a minimum of eight hours of continuing medical education in child abuse medicine annually and participate in additional quality assurance activities, including consultation with child abuse experts, literature review, and peer review.
- Share call-phone duties at minimum one week per month once fully trained in the position.
- Additional duties as assigned.
Skills and Qualifications:

- This position is open to MD, DO, NP, or PA’s with a license to practice medicine in the State of Oregon. Pediatrics or Family Medicine preferred.
- Experience with child abuse medicine preferred.
- Ability to work with multidisciplinary partners, including law enforcement, child protective services, mental health providers, and non-medical professionals.
- Ability to communicate compassionately and remain objective and non-judgmental.
- Ability to calmly and effectively deal with people in crisis.
- Bilingual Spanish-speaker preferred.
- Demonstrated commitment to the mission and vision of ABC House.

ABC House is an equal opportunity employer committed to respectful, quality care to children and their non-offending family members from diverse racial, ethnic, religious, and non-traditional family forms.

ABC House is a drug-free workplace.

Under the provisions of the Immigration and Reform Act of 1986, the candidate will be required to provide evidence of identity and eligibility for employment.
